RE: Invitation Letter of ICCES

Dear Prof. J. T. Chen:

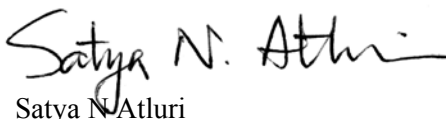

On behalf of the Organizing Committees of ICCES (International Conference on Computational and Experimental Engineering & Sciences), I take immense pleasure in, inviting you to present a Lecture at the conference ICCES'15, on subject of your research, as a Symposium Organizer of ICCES.

Kindly proceed with the registration process by following the instructions given under the "Registration" link of the home-page of www.icces.org. Also kindly make your hotel reservation immediately, as hotels will be on high demand in Reno, NV. You can make online reservations at the conference hotel, given in the "Hotel Information" link of the conference home-page.

We do hope that you can visit with your family and enjoy visiting the tourist attractions of Reno, in addition to attending the ICCES'15 conference. Some information about Reno and the nearby tourist spots are made available at the conference website.

This invitation letter may be used for the purpose of application for issue of a USA visa for you and your family. Please let us know if you would need additional information or help concerning USA visa and in relation or with regard to any other formalities with your organization. We suggest that you proceed with the visa process at the earliest possible to avoid last minute exigencies.

Cordially,
