Dear Prof. Chen:

The 7th Asia-Pacific International Conference on Computational Methods in Engineering (ICOME 2023) will be held in Xiamen, China, during November 2-5, 2023, and will be hosted by Xiamen University. Further information about the conference may be found at <http://ICOME2023.dlut.edu.cn>.

On behalf of the Organizing Committee for ICOME 2023, we would like to invite you to give a plenary talk on your recent work within related areas, and your view of the role of computational methods in engineering. Please let us know if you can participate, and if so please provide an abstract of your talk.

We hope that you will be able to join us and look forward to seeing you in Xiamen this coming November.

Yours Sincerely,

Xiaowei Gao, Chair of ICOME 2023, Professor of Dalian University of Technology

Dongdong Wang, Chair of Local Organization Committee of ICOME 2023
