Dear Professor Chen,

This letter is to thank you for your work and to confirm that you are an Associate Editor for the Elsevier journal *Engineering Analysis with Boundary Elements*, currently in the midst of your term of appointment (which began in 2009, and ends in 2016).

The quality of publications such as *Engineering Analysis with Boundary Elements* heavily depends on the service of Associate Editors like you. We maintain a high standard in selecting Associate Editors. Only scientists who have established an international reputation of excellence in their research fields are invited to be our Associate Editors.

Your input has contributed to maintaining the high quality and impact of our journal. I look forward to benefitting more from your expertise on the board of our journal.

Yours sincerely,

Carrie Christensen
Publisher, *Engineering Analysis with Boundary Elements*
Elsevier, Inc.
