

邊界元素法1998 作業一

1. After viewing the demonstration disc of BEASY program and listening the outline of BEM from Dr. Chen, please find a paper of BEM in the journal and copy it.
2. Write down the name of Journal, Volume, number and pages.
3. Is that one using conventional BEM or dual BEM ?
4. Please find a paper of BEM in the journal and copy it.
5. Any other comments ?
