

Meet with

Prof. **Tony F Chan**

Hong Kong University of Science and Technology

Monday, 8 December, 2014

• **AGENDA**

9:30-10:30	Tony F Chan (Hong Kong University of Science and Technology) A Personal and Historical View of Computational Mathematics
10:30-11:00	Tea Break
11:00-12:00	Forum

In its modern incarnation, computational mathematics as a discipline that blossomed only after WWII. But even in its relatively brief history, there has been some major shifts in its methodology, emphasis, and applications. In this talk, I'll give a personal and historical view of this development, based on my own professional career and experience.

• **VENUE**

Lecture Room B,
National Center for Theoretical Sciences,
National Tsing Hua University
