Abstract/Paper Ref No: 1622

Title of Abstract/Paper: Review of degenerate scale in the BEM/BIEM (MS-58)

Thank you very much for your submission of paper to the Asia-Pacific Congress for Computational Mechanics (APCOM2013) to be held in Singapore at the InterContinental Hotel from 11th-14th Dec. 2013 (www.apcom2013.org).

After a peer review conducted recently, I am very pleased to inform you that your above referenced paper has been accepted for presentation and publication at APCOM2013. You will be informed about the detailed presentation program at a later date.

We would like to remind you that,

- 1) Your paper will be given a full time slot for presentation at the Conference and will be published in the Conference Proceedings, **provided that at least one of the authors registers for the Conference.**
- 2) Each conference registration entitles to present and publish ONE paper. Additional papers will attract an additional publication fee of US\$300/- per paper.
- 3) If you need to submit a revised final version of your paper, please note that the submission deadline is **30th September, 2013.**

The on-line Registration is already available at <http://www.apcom2013.org>.

This is the official acceptance and invitation letter, which may be used for your funding or/and visa application. We appreciate your support. If you have any question, please do not hesitate to contact us.

Sincerely Yours, 

Dr. Gui-Rong Liu [liugr@uc.edu, 01-513-204-9580]
Co-Chairman, Asia-Pacific Congress for Computational Mechanics (APCOM2013)
President, Asia-Pacific Association for Computational Mechanics (APACM)
Executive Council Member, International Association for Computational Mechanics (IACM)
