Taiwan-Japan Joint Workshop on Numerical Analysis and Scientific Computation**April 4(Fri.) – 6(Sun.), 2014****Venue: Graduate School of Informatics, Kyoto University, Kyoto**

January 27, 2014

Dear Prof. Jeng-Tzong Chen,

Prof. I-Liang Chern and I are organizing the Taiwan-Japan Joint Workshop on Numerical Analysis and Scientific Computation to be held at Graduate School of Informatics, Kyoto University with the period April 4(Fri.) – April 6(Sun.) 2014. Its purpose is to enhance the communications of researchers in the scientifically vital field of Numerical Analysis and Scientific Computation between Taiwan and Japan, and the participants will include researchers with mathematical and applied mathematical background. This should be a scientifically significant meeting.

On behalf of the organizing committee, it is our great pleasure to invite you to this workshop as an invited speaker. With the expertise in Numerical Analysis and Scientific Computation, we are sure that your presence will be important to the Workshop. Detailed information will be sent later. The workshop period contains academic visit to some cultural places in Kyoto.

We will partially cover your local expenses in Kyoto during the workshop, but we are sorry that we will not cover your travel expenses between Taiwan and Kyoto. We hope that you will kindly accept our invitation, and we look forward to meeting you at the joint workshop in Kyoto.

Sincerely Yours,

Professor Yuusuke Iso
